

Boutique-in-a-Box

LifePlan Service Project for Groups

Our Boutique-in-a-Box Service Project is a great opportunity for your group to serve your community while helping share about LifePlan!

In this project, we provide you with everything you need to hold your own "mini-boutique" baby supply giveaway at a location of your choice. Your group publicizes the event beforehand, sets up the mini-boutique, runs the boutique during a set period of time, and then cleans up and returns remaining items to LifePlan.

This is a great way to share the love of Jesus with your community while raising awareness for the services of LifePlan!

Call 269-684-6200
to get started!

Steps to Success :

1. Contact LifePlan to schedule your project.

Let us know you want to hold the boutique and we will work with you to help you minister to the families in your community! Call us or scan the QR code on the right to schedule a project.

2. Choose a date, time and location for your boutique.

Find a time that works well for your group and schedule the boutique! Make sure to receive permission to hold the event from the location you are using. Plan to give yourself at least a month to promote the event.

3. Publicize your boutique!

Once you have a date set, let everyone in your community know about it! Your group can make posters and flyers yourself or get posters and flyers from LifePlan. Hang posters, distribute flyers, and post on social media! Let us know when you are ready to publicize your event and we will share the information on our social media pages as well!

4. Attend a training and pick up your boutique boxes from LifePlan.

Schedule a time to pick up the boutique materials from LifePlan. We will provide you with boxes of baby clothes and other items as available. You can also choose to give away diapers or other items. Get your whole church involved by having them bring in diapers to give away as part of the boutique-in-a-box day!

Your group will also need to schedule a training with a LifePlan team member. This training will prepare your group to minister to your community and represent LifePlan well. This training can be the same time you pick up your materials.

5. Set up and run the boutique, tear down and clean up afterwards, and return any leftover items to LifePlan.

The day has arrived! Open your boutique and minister to your community! Cover the day in prayer and let God work through your group to make a difference for LIFE!
