## JUNE

### Prayer Calendar

#### • June 1 – 7

Praise the Lord with us that He is answering our prayers! A volunteer sonographer is touring our South Bend campus this week. Pray that the Lord would move in her heart and she would feel led to volunteer with us. This will allow us to perform more ultrasounds at this location.

#### • June 8 – 14

Please pray for our Benton Harbor staff and volunteers as they have several court-ordered classes for clients right now. Pray that these classes will be helpful and life-changing for our clients, and that God will grant wisdom and patience to our mentors as they work with these clients.

#### • June 15 – 21

Ask God to continue bringing clients to all of our locations, and that they would remain faithful in taking classes throughout the summer months. Pray that God would get the glory from their diligence. Ask that He would continue to send volunteer mentors to help encourage these families over the summer, as some of our regular mentors take a break during these months.

#### • June 16 – 28

Praise God with us that one of our male School Outreach presenters passed his SRA certification exam! Pray that the Lord would continue to provide male and female presenters for our School Outreach program. God is expanding this program quickly and we trust that He will provide the perfect volunteers for this part of our ministry.

#### • June 29 & 30

God is changing hearts through our Exchange, one-time, evangelistic, Bible study. Please pray that our clients will accept the invitation to come back and hear a clear, concise gospel presentation. Ask for the Holy Spirit's power to be working in our staff and volunteers, and in our client's hearts.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
