

LifePlan

JULY

Prayer Calendar

• July 1 – 5

Praise the Lord with us that LifePlan is continuing to grow! In addition to this growth, we have seen some staff members retire from their service at LifePlan. Pray that the Lord would bless these staff members as they follow God's new call on their lives. Ask the Lord to provide wisdom to our Core Team as they take on the task of finding mission-minded people to fill these vacancies in our Team.

• July 6 – 12

Please lift up our staff and volunteers who are serving in their church VBS programs this summer. Pray that God would use them to lovingly invite and encourage our clients to get their children involved. Most of all, pray that Gospel seeds would be planted.

• July 13 – 19

Help us celebrate the many doors God is opening for LifePlan's ministry to reach deeper into our communities. We're in awe of His faithfulness and excited for what lies ahead. Please pray with us that the Lord would raise up the volunteers needed to step into these new opportunities with hearts ready to serve and hands willing to help.

• July 20 – 26

We are excited to announce that Benton Harbor is now offering STI testing & treatment. Please join us in prayer, as we ask God to lead clients to us who are in need of hearing the hope that is found in the Gospel. Pray also, that these clients would come back to participate in our Exchange & LifePlan Programs.

• July 27 – 31

Please join us in praying for a deep revival in the hearts of our staff and volunteers—a renewal that overflows with love, grace, and bold faith. May this spiritual awakening stir something powerful in the hearts of our clients who do not yet know Christ, drawing them gently and unmistakably to His truth and hope.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
