LifePlan

AUGUST
Prayer Calendar

• August 1 & 2

Praise God with us for the new team members He brought to LifePlan last month! Pray they feel welcomed and quickly adjust to their new roles. Also, lift up the staff positions still open—asking the Lord to bring the right people at just the right time.

• August 3 – 9

Please keep our receptionists in your prayers—they are often the first voice an abortion-minded client hears when reaching out to us. Pray that the Lord would give them wisdom, grace, and compassion as they gather sensitive, confidential information for our medical team and help create a safe, welcoming first impression.

• August 10 – 16

Join us in celebrating how God is at work in the lives of our clients! As we give thanks, we also ask for your prayers—our Niles campus is in need of new volunteers as several longtime team members step back. Pray also for our South Bend location, asking the Lord to bring both more volunteers and clients, and to provide a much-needed sonographer.

• August 17 – 23

Please pray for our preparations for upcoming fall events, including the Refresh Retreat and our 40th Anniversary Celebration. Lift up our Student Outreach team as they prepare for back-to-school. Also, pray for our medical team as they visit local resource centers—may these visits open doors and help more clients find their way to LifePlan.

• August 24 – 31

We earnestly ask for your prayers for our staff and volunteers who are facing intense spiritual battles. May God grant them the strength, courage, and endurance to stand firm and persevere. Please also lift up those in need of physical and emotional healing—pray that God's comforting presence would surround them and renew their hope during this challenging season.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
