

LifePlan

DECEMBER

Prayer Calendar

• December 1 – 6

We are in need of more volunteers to serve our mission, particularly in our Niles location. Please pray that God would call compassionate individuals to join our team and that He would open doors for new volunteers to step forward. Pray that the right people with servant hearts would be drawn to serve alongside us in ministering to those in need.

• December 7 – 13

Please pray that Christ would be at the center of our Christmas celebrations and that the true reason for the season would shine brightly through our centers. Pray for our Open House at LPBH the week of December 8, that it would bless all who attend. Finally, please lift up our clients during the long holiday break, asking God to meet both their physical and spiritual needs.

• December 14 – 20

Please pray for a restful and rejuvenating break for our incredible volunteers! We are so thankful for their dedication and service—they consistently go above and beyond in all they do. Pray that God would bless and refresh them during this season.

• December 21 – 27

Many of our clients carry deep wounds from past trauma, which makes it challenging for our mentors to provide effective support and care. Please pray for healing and restoration for these precious individuals as they work through their pain. Pray also for wisdom, compassion, and strength for our mentors as they walk alongside clients on their healing journey.

• December 29 – 31

Benton Harbor has had several clients who have accepted Christ this last month. Pray for God's protection over them and that they would continue to grow and flourish in their new faith. Pray also that they would connect with a local church.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
