

# LifePlan

## JANUARY

### Prayer Calendar

#### • January 1 – 3

Our Content and Communications team is needing prayer for clarity, wisdom, and guidance as they develop and create needed Standard Operating Procedures with simplicity. Ask God to provide another female student education presenter who is fully aligned with our mission and vision.

#### • January 4 – 10

Pray for a gospel-focused sonographer to be available for weekly appointments, and that STI patients would come with hearts prepared and open to hear and respond to the gospel and participate in the Exchange Bible study. Ask the Holy Spirit to draw patients whom God is calling to salvation, to guide every interaction according to His will, and to move powerfully through every appointment as we seek connection and partnership with InterCare.

#### • January 11 – 17

Please pray for the three women who have lost their babies at our Niles office this past month. Pray that the Lord would be near to their hearts and that they wouldn't doubt His love, goodness, and faithfulness.

#### • January 18 – 24

Pray that God would raise up faithful, compassionate volunteers to serve in all campuses, specifically providing a boutique manager, receptionist, mentors, and an operations person who are aligned with the mission and ready to serve with excellence. Ask Him to bring the right people at the right time to fill the right roles, trusting that He knows exactly who is needed and where to meet every need.

#### • January 25 – 31

Benton Harbor has had several clients who have accepted Christ in the last few months. Pray for God's guidance as we disciple them and connect them with a local church. Pray that God would keep us curious about our clients' spiritual health: praying with them and weaving Him into our conversations

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
