APRIL

Prayer Calendar

• April 1 – 4

God has been opening so many doors for our team to share about LifePlan's services with the community, and we are so grateful. Pray that every presentation plants a seed and leads new clients to walk through our doors and find the help they need.

• April 5 – 11

Pray that our clients would have a better understanding of the life-changing importance of Easter and that God would give our mentors spirit-filled words to share it with them.

• April 12 – 18

We are praising God for the volunteers He has brought to LifePlan! Each one answered a call, and we are praying He makes it crystal clear where to place them and that their training equips them fully for the work ahead. And we are still asking for more. Pray that God sends additional volunteers so we can reach deeper into our community.

• April 19 – 25

This week, our Benton Harbor campus is hosting an Oasis class. These classes cover topics that are beneficial to our clients and the goals that they have set for themselves. Please help us pray that attendance would be high and that lives would be positively impacted.

• April 26 – 30

Our Student Education Program has applied for several grants this year, and we are asking that God would allow LifePlan to be the recipient of these grants so that we can continue to expand our reach. Pray also that God would open doors to allow our SRA curriculum to be presented in Land Cass High School this year. Finally, we are praying that God would send two more dedicated volunteers to help present in schools this fall.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
