MARCH

Prayer Calendar

• March 1 – 7

We want to take this week to thank God for His provision of presenters for our Student Education Program. We have been blessed to have such dedicated individuals encouraging the next generation to make safe, healthy decisions.

• March 8 – 14

LifePlan has been faithfully trusting God with our finances for the last forty years, and that has not changed. We are asking for prayers that God would continue to be faithful in providing for our financial needs as an organization. Pray with us that we would continue to trust Him and be good stewards of what He has already faithfully provided.

• March 15 – 21

Help us pray for our Student Education Program as we work on grants to purchase the Success Sequence curriculum. This will help us expand our Student Education Program, meaning that more teenagers will be equipped to make positive, life-changing decisions for the rest of their lives.

• March 22 – 28

Our Lunch & Learn events were well attended and we are trusting that God will provide volunteers who are interested in becoming mentors for all three locations. Ask God to not only provide more mentors, but also for new clients who need to hear the hope that is found in the Gospel. Help us pray that no matter where God provides mentors, they would persevere through the training process and that their gifts and talents would be stewarded well within our ministry.

• March 29 – 31

Please pray for our staff as we continue to learn how to communicate effectively with each other. Pray that God would help strengthen relationships amongst our three campuses and that compassion and grace would fill every conversation and meeting.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
