

LifePlan

MAY

Prayer Calendar

• May 1 & 2

We recently launched monthly giveaways on social media to help more people discover what LifePlan offers. We have already seen our online engagement grow, and we are praying that these giveaways would open doors for people who need to find us. Will you join us in praying that every giveaway would lead the right people right to our door?

• May 3 – 9

This month, several of our staff and volunteers are taking some well-deserved time away to rest and recharge. We are so grateful for them and want them to return refreshed and ready. Will you pray with us that the Lord would fill every gap left behind, that nothing would fall through the cracks, and that His work here would continue to move forward faithfully?

• May 10 – 16

Two of our biggest fundraising events are just around the corner. The Hero Run and Golf Outing are both happening at the start of next month. Will you pray with us? Pray that registrations would grow, that the Lord would draw the right people, and that each event would be a meaningful time of community and connection.

• May 17 – 23

This week, our Benton Harbor campus is hosting Changes that Heal, an Oasis class that walks people through real, meaningful growth. Will you pray that the room would be full and that every person who walks through the door would leave changed and equipped?

• May 24 – 31

God answered our prayers and provided a male mentor for our Benton Harbor campus, and we are so grateful! Will you pray with us that He would continue to bring men through our doors who are ready to grow as fathers and husbands? Pray for the new volunteers joining our team. We are trusting that the Holy Spirit will lead every placement and that each person will be exactly where they are supposed to be.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
