JULY

Prayer Calendar

• July 1 – 4

We are praising God for answered prayer! Attendance for our Oasis classes has been much higher than usual, and we are so grateful for what He is doing. Thank you for praying with us. Your prayers make a significant difference in the lives of our clients, volunteers, and staff.

• July 5 – 11

We are asking the Lord to raise up volunteer mentors for LifePlan. Our doors are open, but without mentors available for every hour, we're unable to serve every individual who comes to us. We are praying God would call the right people forward: those with hearts ready to listen, walk alongside others, and share the hope found in Christ.

• July 12 – 18

We're asking you to pray for our clients who schedule medical appointments. Showing up can be the hardest step, and it's often the first one toward real support. Ask God to remove whatever keeps them away, and to use each appointment as an open door for our medical team to offer care and introduce the hope found in Christ.

• July 19 – 25

Many of those connected to LifePlan, including our clients, volunteers, and staff, are navigating significant mental health challenges. We ask you to pray for their healing and freedom. Ask God to meet each person in their hardest moments, to lift what feels unbearable, and to use the care and community found at LifePlan as part of his work in their lives.

• July 26 – 31

We praise God for his faithful financial provision this year. As we look ahead to the months remaining, we ask you to pray for wisdom in every financial decision we face. Ask God to continue to provide and to guide our leadership as faithful stewards of what he has entrusted to us.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
