AUGUST

Prayer Calendar

• August 1 – 8

Pray with us for our student education program, SRAE, this fall! We're welcoming a new group of students, and we're trusting God to reach their lives. Will you pray that our message would land clearly with every student, that the Holy Spirit would grant wisdom for our Success Sequence work in Michigan, and that the Lord would send more volunteer presenters for our growing need?

• August 9 – 15

Our medical team meets clients and patients walking through our doors each week, and we want every interaction to reflect God's heart. Will you pray with us that we would love our patients well with His wisdom, and that every client and patient would show up for their scheduled appointments?

• August 16 – 22

A time set aside for our staff and volunteers to be renewed and encouraged, the upcoming ReFresh retreat, is on our services team's hearts this week. Will you pray with us that every staff member and volunteer would leave refreshed, and that the Lord would raise up more volunteers at every campus to meet the needs in front of us?

• August 23 – 29

Our mentor volunteers are in the final stretch of training — finishing online modules and shadowing before they start seeing clients. We are so grateful for each one who said yes to this. Will you pray with us that they would complete their training quickly, and that God would fill our Tuesday and Thursday appointment slots with mentors ready to serve?

• August 30 – 31

More of our clients have been missing or cancelling appointments lately, and our hearts go out to each one of them. Will you pray with us that the Holy Spirit would soften hearts and that each one would see the true value in keeping their appointments with us?

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
