

LifePlan

SEPTEMBER

Prayer Calendar

• September 1 – 5

Our team is hosting clothing giveaways in Benton Harbor and Niles, opening our doors to serve our neighbors in practical ways. Will you pray with us that God would bring the people who are in need — both materially and spiritually — and that we would take full advantage of every divine appointment He provides?

• September 6 – 12

Our team has been working on a children's book to help protect kids from exposure to pornography, and we are asking that the Lord would continue to guide this project. Will you pray with us that the campaign would reach our community, that hearts would be stirred to give, and that this resource would protect hope-filled lives for years to come?

• September 13 – 19

This weekend is our annual ReFresh Retreat, a time for our staff and volunteers to get away together and spend time deepening their relationship with Christ. Will you pray with us that hearts would be refreshed, that the Holy Spirit would speak clearly to us, and that our team would return with renewed passion for the work God has called us to at LifePlan?

• September 20 – 26

Our Niles campus is running short on volunteers, and without more hands, we're at risk of having to close some shifts. We are trusting God to provide, just as He has before. Will you pray with us that the Holy Spirit would stir hearts to serve at Niles and that every open shift would be filled?

• September 27 – 30

This past month has been a hard one for several of our staff and volunteers here at LifePlan, as they've walked through some genuinely difficult life circumstances. Will you pray with us that God would surround each of them with His comfort and peace, and that He would give them strength for each day ahead?

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
