OCTOBER

Prayer Calendar

• October 1 – 3

This October, current volunteers get to bring a friend to our campus Lunch and Learn events — a chance to invite someone they think would love joining our volunteer team. Will you pray with us that every conversation would plant a seed, and that the Holy Spirit would lead each friend who walks through our doors toward joining us?

• October 4 – 10

Our South Bend campus needs a nurse to step into leadership, and we are trusting God already has the right person in mind. Will you pray with us that He would bring that nurse to lead this ministry, and that the patients He is already drawing to South Bend would find their way through our doors and into hope-filled lives?

• October 11 – 17

Our Night of Hope Celebrations and Fundraiser is coming up, a night to look back on all God has done at LifePlan this year and cast vision for what's ahead. We are so grateful for every life that has been changed along the way! Will you pray with us that hearts would be prepared as we gather, that God would be glorified as we share His story, and that new partners would catch the vision for reaching deeper into our community?

• October 18 – 24

Will you pray with us that more of our medical patients would be open to joining the Exchange Bible study, and that the Holy Spirit would connect each one to a Bible-preaching, local church where they can connect with a church community and grow spiritually?

• October 25 – 31

Will you pray with us that God would give our team wisdom as we look at updates to our Niles space? We are trusting that the Holy Spirit would make our next steps crystal clear, that any changes would help our space run more smoothly, and that it would ultimately serve every person who walks through our doors that much better.

The most important way you can support LifePlan is through prayer. Please take this calendar and pray over the requests for each week. Together, with the power of God, we can help people choose life and live hope-filled lives.
